Road Law Body Plans Reform In Enforcement

Public Is Challenged As Committee Maps Traffic Program

Reduction of the death toll from highway accidents in San Mateo county will be sought through reforms which will guarantee "sure, swift, rigid and uniform enforcement of traffic laws," the new peace and judicial officer association, appointed last week by the grand jury, decided at its first meeting Monday.

In announcing its plan, the committee threw a challenge to the public to cooperate, both in toleration of the reforms and in exercising "care for safety and regard for traffic law."

Declaring the proposed activity is "not merely a traffic drive," the association said in a prepared statement issued after the session, that "it will be an honest, sincere and comprehensive effort on the part of San Mateo county officialdom to find a sensible, satisfactory and permanent solution" to the traffic problem.

ABUSES ADMITTED

"The growing traffic death toll is a challenge to our community," said the statement addressed "to the public."

"That challenge can and must be met. Under the official direction of the San Mateo County Grand Jury and the organized peace and judicial officers of the county, with your assistance, it WILL be met.

"We cannot fail to recognize readily that abuses have crept into our system of traffic law enforcement. This condition is not peculiarly nationwide. It is not the fault of any individual or group but an outgrowth rather of a progressively growing tendency to minimize the seriousness of traffic law violations and to differentiate between these and other classes of crime. This differentiation is, in our opinion, the major stimulus to increasing traffic lawlessness.

CORRECTION DEMANDED

"This situation can and must be corrected. For the first time in history the courts and traffic departments of the county have been officially unified by grand jury action in a comprehensive effort and plan to stamp out the intolerable and unspeakable burden of death and injury on our highways. These public officers and departments, cognizant of their responsibility to you for your safety on the public streets and highways, propose now by united action to introduce such reforms as will insure, within the bounds of justice, a sure, swift, rigid and uniform enforcement of traffic laws and punishment of traffic violations to the end that human life will become more sacred in San Mateo county.

"In these reforms you will necessarily have a part. We solicit your forbearance and cooperation, particularly in the matter of observing traffic laws and regulations. The 'fixing' of tags, suspended sentences and importuning of traffic and judicial officers must inevitably disappear, if we are to have, as you intend that we should have, traffic safety.

ASK PUBLIC COOPERATION

"Particularly during the imminent holiday season do we solicit your care for safety and regard for traffic law. We pledge ourselves again to our responsibility, the public safety. We shall do our part; may we not count on you?

"Yours for Public Safety, The Peace and Judicial Officers of San Mateo County, (comprising all traffic courts and police and traffic departments in San Mateo county.) By their Executive Committee."

The traffic group's executive committee is composed of Police Judge R. A. Rapsey, chairman; Judge Edward Ryan, secretary; Police Chiefs Claude M. Hirschey and Thomas F. Burke; Capt. Paul Perussina; Justice Edward I. McAuliffe, and Dep. Dist Atty. Louis B. Dematteis.

Safety Council Names Committee Chairmen

(Special to The Tribune)

BURLINGAME, Dec. 11.—Three committees were appointed at an organization meeting last evening of the newly formed Burlingame Safety Council, dedicated to making the city's streets and highways safe.

At the well-attended initial gathering at the city hall, J. O. Klein, Jack Marpole and Jack Lynch were appointed chairmen, respectively, of the speaker, publicity and membership committees. Presidents of civic organizations will compose the board of directors, according to Mayor C. A. Buck, chairman.

'BARBARY COAST' SCREEN FEATURE

Edward G. Robinson, Miriam Hopkins and Joel McCrea in Samuel Goldwyn's production "Barbary Coast," released through United Artists and playing at the Little Redwood Theatre four days starting Sunday.

County Costs Kept Within Budget Items

Gans Asserts Hospital Expenses Far Below Private Costs

Little fear that the county will be "in the red" at the end of the fiscal year was felt by officials today as they expressed confidence expenses of departments can be kept within budget limitations.

Health Director Charles Gans, whose department takes the largest apportionment of tax funds, said that by the end of December the Community Hospital and Social Service Department would have expended but little if any more than half of its expected amount for the year.

Up to December 1 the hospital had spent $87,919.73 of its $211,098 budget, although all November bills had not as yet been presented. The social service department had spent $53,629.30 of $165,651.

Costs of operating the hospitals the first part of the year were heavy, since a large stock of supplies, purchased at reasonable prices, was laid in, Dr. Gans explained.

COSTS CALLED LOW

He also revealed that the per patient daily cost at the hospital now is but $2.67, as compared with a figure of $8.80 for another peninsula hospital. Last month an average of 144 patients were cared for each day at the institution.

Costs at the hospital are low, Dr. Gans said, because of generous donations of time by 24 county physicians.

In this connection, he expressed opinion that if the hospital were to be sold or leased and the county to pay for its indigents' care, as proposed Monday by Supervisor John Poole, costs would be much greater than now because the free time of the physicians would be lost.

MARSHALL PLANS CUTS

Engineer Urban S. Marshall, back from Sacramento where he secured from state board of equalization officers assurance his revised budget would be acceptable, has made cuts in personnel in his department and, it is understood, plans further reductions shortly after the first of the year in order to keep well within his $242,250 budget, second largest of the departments.

County Manager Walter Kellogg declared he believed the county was in a healthy financial condition. Called for 10 a. m. Friday, the meeting between county bureau heads and the board of supervisors will consider the budgets of the departments in details.

Court Fight Begun Over Boy's Custody

Settlement of a dispute which started more than a decade ago in Michigan was asked of the local superior court here when Earl W. Pickard secured a writ of habeas corpus to force his former wife from whom he separated in 1924 to show cause why she should not release to him the couple's son, Earl W. Jr.

The former Mrs. Pickard is now Mrs. Frances Pickard Haensel of Redwood City, according to Pickard's petition. Pickard still lives in Michigan.

Superior Judge Maxwell McNutt signed the writ, regarded as an unusual form of remedy in a case of this kind, making it returnable December 20 in his court.

R. C. Baby Burned Falling Into Fire

Margaret Louise Heagerty eight-month-old Redwood City child, was being treated at Community Hospital Tuesday for severe burns she received about the legs when she tumbled into the fireplace yesterday at the home of her mother, Mrs. Florence Heagerty, Route 1, Box 303.

The mother rescued the child and rushed her to a local doctor who gave the baby emergency treatment and then took her to the hospital.

Hospital attaches said today the baby was in a "good" condition and that she would recover, although she would probably be hospitalized for some time.

2 PATROLMEN IN CAR CRASH MISS INJURY

Two state highway patrolmen chasing a speeder 60 miles an hour in San Mateo Sunday narrowly escaped injury when their white coupe and the car of Vell Roggero, 52, of Bayshore City, collided on the Bayshore highway at the Cypress avenue intersection.

The officers, James Wallace and Louis Rinkel, reported that at 8:10 o'clock while they were about to give the siren to a green sedan, Roggero's car came from the side street, failing to stop at the arterial sign and cutting the corner.

The two cars sideswiped, damaging the patrol auto to the extent it had to be taken to a San Mateo garage.

Roggero was given a citation for reckless driving. The speeder got away.

FRED COMBA CITED

After being first in an accident Saturday night in San Mateo in which two race horses belonging to Mrs. Josie Anderson of Paloma, Monterey county, were reportedly slightly injured, Fred W. Comba, local attorney, was later cited for reckless driving in San Carlos.

Comba, officers said, crashed into an auto trailer on El Camino Real in San Mateo. He stopped, inspected the damage, and allegedly drove away before Mrs. Anderson got his name. Later through his license number, which Mrs. Anderson had taken, he was identified when cited in San Carlos. He is to appear in court on the charge December 18.

OTHER AUTOISTS ARRESTED

Two motorists drew drunken driving citations over the weekend. Lloyd Jacobsen, 35, Redwood City, was arrested late Saturday by Police Sergeant Stanley Wood while allegedly driving erratically on Broadway near Middlefield road. He was released on $250 bail.

The other autoist was Marko Melon, 55, San Mateo gardener, cited by Traffic Patrolman C. J. Lee for driving "from one side of the highway to the other," according to the officer. He was released on $425 bail pending his appearance before Justice Wade H. Clay.

Although there were eleven automobile accidents over the weekend in San Mateo, Burlingame and South San Francisco, only four persons were injured, none seriously.

When the machines of Otis E. Keeler of Palo Alto and Jerry Diamond of Oakland collided in the heavy fog early this morning on the Bayshore highway in San Mateo, Keeler's passengers, Nellie Catherine Pleasent and C. S. Dean, both of Palo Alto, received head and face lacerations. Miss Pleasent, who incurred an ankle injury, was treated at Mills Memorial Hospital here; Dean refused medical aid.

SUPERVISORS PROTEST GASOLINE TAX 'RAIDS' TO BUILD BRIDGE ROAD

Ocean Shore and Other County Units Seen As Sufferers

San Mateo county supervisors Monday entered the long and bitter controversy over whether the Waldo approach to the Golden Gate bridge shall be a 3-lane or 4-lane boulevard by protesting any diversions from peninsula highway funds to make the larger artery possible.

Supervisor Albert Witt Jr., Colma, voicing the protest, said the Marin highways do not carry one-eighth of the traffic of peninsula houlevards.

DENY 'CHISELING'

The Down Town Association of San Francisco and the Redwood Empire Association, in letters to the board here today, denied emphatically that San Francisco and Northbay counties were seeking the funds to finance the larger artery by "raiding" or "chiseling" the funds of other counties.

Earl Lee Kelly, state director of public works, who has recommended only a 3-lane approach to the Golden Gate bridge, has reported that state funds for a larger artery are not available.

It is feared, if the greater funds are granted, that San Mateo county will be one of those which would be called upon to give up a share of forthcoming gas tax funds.

BRIDGE CRISIS FACED

The Waldo approach has lost $700,000 of state funds which the northbay counties are fighting to have put back and also has not secured approval of a $1,700,000 PWA request, indicating the crisis faced by the bridge directorate.

Witt insisted that San Mateo county not only not surrender any funds to the Waldo approach but had the board direct Clerk Elmore B. Hinman to write to the California Highway Commission asking funds for the Ocean Shore boulevard.

In support of that plea, Witt said the commission has promised that if the current gas taxes were higher than contemplated, which has been the case, San Mateo county would be given aid on the coast highway.

Harry A. Hopkins, chairman of the commission, informed the board today that no funds would be available for the coast road.

SERRA FUNDS UNCERTAIN

The Waldo bridge approach controversy came to the board's attention when the Down Town Association asked San Mateo county's help. "Nobody is helping us get any money out of the state," Witt said, in urging unfavorable action by the board.

Similar uncertainty over the prospects of state funds for the Junipero Serra boulevard caused Supervisor Witt to have the board request the return of $20,000 paid by San Mateo county into the district funds some time ago.

Witt said if no new unit is to be constructed immediately, this $20,000 should be returned to San Mateo county.

WATKINS WINS HELP

County Building Commissioner William Watson Jr. was granted $1600 funds to buy a new car and to retain his assistant for the balance of the fiscal year because of the active building market.

The sum of $525 to pay the salary of a part time assistant as egg inspector was voted.

County Clerk Hinman was authorized to pay 10 cents per name to registration deputies for work of re-registering to be undertaken next year. The cost will be about $7000. Supervisor Witt suggested that Controller Edward Stack "fish around" and find the funds.

Request of the Salada Beach school authorities for a WPA project for two schoolrooms was referred to Coordinator William Hendricks.

Purchase for $100 from Amalie Jakobs and for $120 from Helen Schmidt et al of two parcels of Farollone City and Francis Beach properties for recreational purposes was approved.

GRANT YARD CHANGES

A. A. Arunds of the West Bay Lumber Company was authorized to make certain improvements at the Old Middlefield road premises.

Supervisor Witt said the California Highway Commission had criticised the report showing gas tax disbursements during the past year and moved that the commission be sent a transcript of the grand jury inquiry into the road department controversy.

The Redwood City Women's Club request for charity funds will probably be met if the Baden Kennel Club sends a check for charity admissions collected at the dog track.

KILPATRICK'S INTRODUCING SESAME BREAD

A different brand of sesame bread, made with sesame shortening, is now being introduced in San Francisco. It is baked by Kilpatrick's Bakery, producers of Kilpatrick's Split-Top and Kilpatrick's Milk-Maid breads which have been on the market for some time.

The new bread is wrapped in cellophane and carries a distinctive gingham band which makes it easy to recognize. It is made in both white and wheat types.

"The reception accorded Kilpatrick's Sesame Bread has been most gratifying," said Harold Kilpatrick, president and general manager of Kilpatrick's Bakery. "Its distinctive flavor has quickly made it a favorite with children and its excellent toasting qualities are attracting many new users who serve it toasted for breakfast. Its fine tender crust and silky texture appeal to all who know good bread."

Accidents Bring $57,255 Actions In Local Courts

Death of one pedestrian and injuries to two others from being struck by automobiles in San Mateo county Tuesday resulted in damage actions totaling $57,255 being filed in superior court.

For death of Paul Schlegel November 20 after he was allegedly struck four days earlier in Daly City by the machine of Leland E. Langdon, Mrs. Amelia Schlegel, the widow, and Frank P. Schlegel, a son of the deceased, are seeking $51,010 from Langdon. This suit was filed through Attorney Edmund J. Holl.

Injuries to Lorene Tiedemann, 4, and Annie Tiedemann October 2 when they were allegedly hit by the machine of John Albert Marino while walking on Alameda de las Pulgas near Walsh road resulted in an action seeking $6,245 damages from Marino. Howe & Rumwell, attorneys, are handling the case for the plaintiffs.

DEATH ENDS ILLNESS

(Special to The Tribune)

SAN MATEO, Dec. 11.—Ill since December 5, Mayer Pointon, 61, of San Mateo, died yesterday at a local hospital. He leaves no relatives, according to hospital officials and coroner's officers.

'FRISCO KID' ON SEQUOIA SCREEN

James Cagney as the "Frisco Kid," comes to the Sequoia Theatre for a three-day engagement starting Sunday in Warner Bros.' picturization of San Francisco in the pioneer days. Margaret Lindsay and Barton McLane share honors with Cagney. Kathleen Norris' "Navy Wife," starring Ralph Bellamy and Claire Trevor, is the second offering.

Albert G. C. Hahn Passes at Atherton

(Special to The Tribune)

ATHERTON, Dec. 10.—Ill only a short time, Albert G. C. Hahn, retired inventor and philanthropist, died at his home on Glenwood avenue at 10 o'clock last night. Mr. Hahn, who had lived here for many years since his retirement, was born in New York City March 11, 1858.

Active in civic work, Mr. Hahn was one of the original trustees of the Menlo Park Fire District. He was the developer of Velox paper, used in developing pictures.

At his bedside when the end came were his wife and his daughter, Louise. A sister, Mrs. John Mohlnan, also resides in the east.

Funeral services will be private.

QUICK TRIAL FOR HAMMER SLAYER SEEN

LOS ANGELES, Dec. 10 (UP)—Authorities today planned a quick trial for Frances Mabel Willys, 38-year-old housewife who battered Dr. Walter F. Hammond, her common-law husband, to death with a claw-hammer.

She was to be given a sanity test by court alienists shortly, authorities declared.

Mrs. Willys said she modeled the slaying of her dentist-lover after the Clara Phillips "hammer murder" of a decade ago.

In a rambling confession, Mrs. Willys declared she beat the 62-year-old dentist to death because he had accused her of saving money he had given her and burying $5000 "in the back yard."

"I killed him because he was about through," she remarked. "At 62 he is pretty much through. We quarreled frequently and he beat me." She declared, "I'm not crazy—not a bit of it."

Former Peninsula Army Man Succumbs

(Special to The Tribune)

SAN MATEO, Dec. 9—Maj. Leigh Sypher, U. S. A., retired, prominent clubman of San Francisco and the peninsula and stepfather of Mrs. Edmunds Lyman of Hillsborough, was buried in private services this morning at Santa Barbara Cemetery, according to United Press dispatches. The former soldier, who lived in this county until four years ago, died Saturday at his home in Montecito.

S. F. to Study Trial Expense In Jail Breaks

Protest of Peninsula To Costs May Bring Change in Law

San Mateo county's grand jury will receive co-operation of its brother San Francisco inquisitorial body in settling the question of expenses borne by this county in trying escaped San Francisco prisoners and in preventing alleged sale of dope in the jail located near San Bruno.

This assurance was given local grand jurors on Tuesday by E. L. Dougherty, secretary, and M. J. Goodman, chairman of the jail committee of the San Francisco grand jury, who met with the local body at the courthouse.

It was agreed, according to Allen J. Ward of the jury's publicity committee, that the San Mateo county jurors would furnish the San Franciscans with the facts and they would sift the matter and report their decision. A change in the law will be necessary.

OTHER PROBLEMS UP

Besides this problem, Ward said, gambling, swindling and the traffic enforcement drive were touched upon by the inquisitors Tuesday night.

Asst. Dist. Atty. Daniel Sullivan met with the group and was assured, according to Ward, that the jury would wholeheartedly cooperate in investigations of gambling and swindling in San Mateo county.

The jury voted to thank the judges and other law enforcement officers for prompt action and cooperation in the drive to prevent accidents.

No detectives were hired by the board to pursue the investigation into gambling, as it has been admitted the jury intended doing, and nothing further has been spent from the $5000 "inquiry" fund voted the jurors by the supervisors, Ward said in reply to questions of newsmen.

VERBAL REPORTS HEARD

Some verbal reports of gambling were made on Tuesday evening, but no action was taken, the publicty committee disclosed. One juror said that the gambling quiz was "through until February," which was interpreted as notification that other investigations would occupy the jurors for the next month and a half.

The unique visit of the San Francisco inquisitors to this county's jury resulted from the dispute caused by County Clerk Elmore B. Hinman sending the city a bill for the trial here of prisoners who escaped from the jail in San Mateo county.

Sale of drugs within the prison was the excuse given by Edward Gleason, burglar, for his having escaped from the jail. He said the ventilation was so poor he was forced to take a drug to sleep, and walked out of the jail while under its influence.

Next meeting of the grand jury will be Tuesday, Ward announced.

M'NEAR PLANS REBUILDING

(Special to The Tribune)

ATHERTON, Dec. 11.—Reconstruction of the Edward H. McNear home which burned, periling the McNear family including three children, was authorized today under a $10,000 building permit.

McGrath Backs Redwood City Harbor Fight

Congressman Informs Washington Aide To Back Plan

Congressman John J. McGrath of San Mateo, who will leave for Washington, D. C., in two weeks for the opening of congress, pledged his full efforts in behalf of the project to the Council Harbor Committee today.

"Be assured I will continue to support your harbor development with all my heart," he wrote. "I am going East within two weeks, so if you would like to talk over the situation I will be happy to meet with your committee or board."

McGrath dispatched the letter from the harbor committee to his secretary, Capt. Victor Harding, with instructions to do all necessary to win Washington approval for the project.

The project is now before the War Department engineers and WPA officials in the national capital.

LONG PORT BOOSTER

McGrath has been one of the earliest supporters of harbor development at Redwood City. He helped the earlier campaigns while president of the former Peninsula Industrial Conference, which had as its goal the bringing of industries to San Mateo county.

Since his election to congress, he has given the port project active support, aiding the San Mateo County Harbor Committee in its last campaign. The same support is now pledged to Redwood City.

TO SHARE BURDEN

McGrath believes the harbor will attract industries which will make it possible for the tax burden on the homes to be lightened. He has repeatedly pointed out that industries, which will be situated on tidelands away from the residential districts and therefore will not be objectionable, must be brought into the county to share the tax load if future burdens are not to become excessive.

STATE BALKS MENLO PARK STREET PLAN

Suggested Use of Gas Tax Fails to Meet With Approval

(Special to The Tribune)

MENLO PARK, Dec. 11.—Menlo Park's projects for street improvements under the new quarter-cent gas tax funds for thoroughfares of major importance have been partially rejected by the state highway commission, City Engineer Bert Mehl reported to the city council at its regular meeting last night.

The highway office approved work already done on Santa Cruz avenue, as well as proposed improvements on El Camino Real within the limits of the city and on Ravenswood avenue, which the commission determined was the nearest through continuation of Santa Cruz avenue.

The projects lacking in state approval included maintenance work to be done on Middle avenue, Valpariso avenue, and Glenwood avenue. The commission declared these not to be streets of major importance. The matter was referred to the street commissioner by the council.

Mehl also reported unfavorably on the advisability of seeking WPA funds with which to construct a series of drainage sumps within the city limits. After digging 12 test holes, Mehl decided that the depth to drainage gravel would be prohibitive. The city engineer recommended that street drainage could be bettered by constructing sumps at the intersections of Santa Cruz avenue with Crane and Curtis streets, and of Valpariso avenue with Crane and Laurel streets.

The council received a communication from E. M. Rankin, who announced his reluctance to serve on a citizen's committee to speed individual tax payers to remit their payments promptly. Rankin declared he did not care to serve until the city council had made good its threat to proceed on foreclosure actions.

As the next regular meeting date will fall on Christmas eve, the council adjourned from that date until the following Friday, December 27.

NEW PATROL TELEPHONE

Telephone number of the state highway patrol now in its new building at Middlefield and Marshall street, has been changed to 1660.

Candid Camera Catches Santa in Three Moods

PENSIVE... JOVIAL... CRITICAL...

It's a job of many moods—this Santa Claus business, as these camera studies show. Taken on his visit to the Montgomery Ward toy shop, the pictures prove that Santa finds it necessary to give thoughtful attention to his work as well as to smile his usual jolly smile.

MMMMMM! A 3-Mile-a-Minute Picnic Two Miles Above the Earth

Children not only enjoy flying, but the tasty lunches served aloft by the air stewardesses. Here a United Air Lines hostess is shown serving two youthful passengers on a New York-Chicago-Pacific coast transport. Of the 300,000 complimentary lunches served on its planes last year by United, approximately 20,000 were eaten by passengers under twelve years of age.

MENLO PARK NEWS

A $10,000 permit has been issued in Atherton for the reconstruction of the Edward H. McNear home.

Mr. and Mrs. Frank Buck are incentives for much informal farewell entertaining. They plan to leave immediately after Christmas for New York.

Last week the Italian Family Club of Menlo Park installed officers for the ensuing six months as follows: E. Dossola, president; P. Pettrucci, vice president; C. Bianchissi, secretary; Fred Paletti, recording secretary; E. Bongio, marshall; M. Covolo, treasurer. After the ceremony a supper was served in the spacious dining hall of the club, which is one of the most influential Italian organizations of the peninsula. Fred Paletti, recording secretary, who lives on Laurel avenue, is one of the oldest members and has done much towards the success of the club.

Albert G. C. Hahn, for many years a respected resident of Menlo Park, passed away at his home on Glenwood avenue Monday.

Mr. Hahn, some years ago, was active in local affairs, being the first fire commissioner of Menlo Park and the first chairman of the Pulgas Mosquito Abatement District. He opposed the incorporation of Menlo Park and when Atherton was incorporated his estate was included in that thriving municipality.

Mr. Hahn was born in New York 77 years ago and spent the greater portion of his life there. Mr. Hahn was an inventor, having invented the Velox photographic print paper that brought him great wealth and prominence. The deceased was highly honored in this community and a citizen who did a great deal for it. His passing will be mourned by a large circle of friends.

Mr. Hahn is survived by his widow, Mrs. Harriet Rose Hahn, and a daughter, Miss Louise, who is a talented artist. Both were at the bedside of the aged man when the Death Angel came. A private funeral service was held at the home Wednesday afternoon.

Mrs. James Clothier is very ill at the home of her daughter, Mrs. A. Wilkinson, on Oak Grove avenue. Mrs. Clothier has resided in San Francisco for many years but grew to womanhood in Menlo Park and as Miss Kate Maloney was a reigning belle, having many admirers. Her legion of friends in Menlo Park hope that she may recover.

Robin red breast is with us once more. He has come from the northern regions to gorge himself on red berries that are very abundant here this year. Robins are protected by the federal government and cannot be hunted because they are a song bird although no one in California has ever heard them sing a single note.

Arthur Taylor, the well-known gardener, has a dahlia he has produced by crossing the smaller flower with a large one of a different variety that will bring him fame and wealth. One of the largest growers in the East is handling the bulbs. The flower is said to be the most beuutiful even seen in the state.

Menlo Park Townsend Club held a whist party yesterday evening in the Menlo Park Central Grammar School. Col. W. Scott Smith was general chairman of the affair, to which Redwood City Townsendites were invited.

REPUBLICANS GIRD FOR 1936 BATTLE

Five of Young Group From S. M. County At Conclave

With five members from San Mateo county in attendance, Young Republicans of California met Sunday at Stockton and filed two sharp-tipped resolutions directed at the new deal, thus girding themselves for political strife next year.

Included from here among the hundred at the gathering were Ralph Scott of Atherton, who resigned as general counsel for the organization to become its chairman of the finance committee; Mark Nesbit of Menlo Park; Emmett Hayes of Burlingame, chairman of this county's Young Republicans; Burns Karmel, San Mateo, and John Fahey Jr., of Daly City.

Succeeding Scott as counsel was Hugh Center of San Jose.

James Phillips of Oakland, president of the state body, presided at the sessions.

One resolution, citing the menace of the new deal, pledges alliance with all American groups in a united front to attack the administration and its policies. It further determines not to endorse or favor any candidates until the party presidential standard-bearers are selected.

The other is directed at the increasing number of government employes and taxes incurred as a result. It suggests the reduction of one-third of these job holders rather than the plowing under of farm crops.

During the meeting a reminder of and an invitation to the state convention scheduled for March in San Jose was extended to the committeemen by Kenneth R. Malovos, general convention chairman, on behalf of the Santa Clara county chapter of the organization.

The organization is composed of men and women between the ages of 21 and 36 years.

Crash Hurts Bring Youth $300 Damages

Injuries suffered by 13-year-old Robert Ellenberger, son of Mr. and Mrs. I. M. Ellenberger of Redwood City, last month when the Ellenberger car collided on Middlefield road with the machine of Raymond Tesolin, today brought $300 damages to the youngster for injuries he suffered. The amount to be paid by Tesolin was approved by Superior Judge Maxwell McNutt on petition of the boy's father. Attorney Edmund Scott handled the case for the Ellenbergers.

"TELL DADDY I'D LIKE A MAYTAG FOR CHRISTMAS"

• Helpful, practical gifts are preferred nowadays, so all Daddy will need is a hint. He will be glad to make it a Maytag. You might also remind him about the easy payments that help a Maytag to pay for itself out of what it saves. Maytag's many exclusive advantages and its quality construction make it a gift that will bring joy, helpfulness, and economy for years and years to come.

Mrs. Whitney Takes 300-Day Jail Term

SAN FRANCISCO, Dec. 10 (UP)—Miss Anita Whitney, wealthy Communist, indicated today she would choose a 300-day jail sentence as her punishment for falsely swearing to an election statement. Judge Elmer Robinson offered her alternative of the jail term or a $600 fine and gave her five days last week to decide.

Before going before Robinson today to inform him of her decision, she said:

"I am going to give myself up and take the sentence of 300 days in jail."

Although she is believed wealthy, she said the $600 fine would cripple her financially and prevent her from contributing to the Communist cause.

Later when Miss Whitney surrendered and said she was ready to begin her term, she was committed immediately to the custody of Bailiff George McKeever for transfer to the new San Francisco jail in San Mateo county.

Mother of San Mateo Civil Engineer Dies

(Special to The Tribune)

SAN MATEO, Dec. 9—Mrs. Mary C. Keesling, widow of the late F. M. Keesling, pioneer resident and mercantile leader in San Jose, and mother of Hector Keesling, San Mateo civil engineer, died yesterday at her home in San Francisco. She was 78. Immediate cause of death was pneumonia. She was the mother also of Francis V. Keesling, prominent San Francisco attorney, and four other sons.

Contract for Radio Stations Awarded

Contracts for construction of buildings to house the two units of the Hearst Radio Inc. stations, one on the Bayshore highway just north of Redwood City and one on Cahill ridge west of San Carlos, have been let to G. H. Meese, Burlingame, it was disclosed Tuesday when the contracts were filed with Recorder T. Clark Rice.

The local transmitting station will be of one-story frame and stucco construction, while the receiving unit on the hill will be frame, according to the contract.

Cost of the two is to be $15,526. They are to be completed within 10 weeks.

Chimney swifts can fly straight up or down.

Beware Coughs from common colds That Hang On

No matter how many medicines you have tried for your cough, chest cold or bronchial irritation, you can get relief now with Creomulsion. Serious trouble may be brewing and you cannot afford to take a chance with anything less than Creomulsion, which goes right to the seat of the trouble to aid nature to soothe and heal the inflamed membranes as the germ-laden phlegm is loosened and expelled.

Even if other remedies have failed, don't be discouraged, your druggist is authorized to guarantee Creomulsion and to refund your money if you are not satisfied with results from the very first bottle. Get Creomulsion right now. (Adv.)

Three Groups Pay Belmont Insurance

BELMONT, Dec. 11.—Water commissioners last evening voted approval for renewal of the three-way payment of the premium for liability insurance for Belmont. L. E. Elsener, chairman, and Commissioner Chris L. Jordan will meet next Wednesday evening with other members of the co-ordinating committee to vote final approval. The payment will be divided between the water district, city council and sanitary board.

Water Manager Elwood Curtis reported the district operated for November at gross profit of $532.68; City Clerk Kelly asked payment of $100 for hire of the city's truck over a period of 20 days. The bill was referred to former Engineer W. W. Hendricks for approval.

The report of Auditor Herman Kohlmoos was read and filed.

Charles Morser, local engineer, will represent George H. Kneese as the engineer for the district. Col. Charles N. Kirkbride, attorney, reported he had conferred with Engineer Kneese in regards to his fee accrued during the progress of the installation of the new water plant. Engineer Morser was authorized to turn in various labor bills in order that the matter can be settled.

Ninety per cent of California's oranges are grown in a strip of land 10 miles wide and 60 miles long.

Creek Beautification Suggested to Board

Proposal to "beautify" Redwood Creek and adjacent property was made to the City planning commission on Monday by Frank Thompson and W. D. Ryan, who suggested the work might be done as a WPA project.

The proposal was taken under advisement since property involved is private and WPA projects can only be used on publicly owned land. The commission decided to take no action on this proposal until results of the present city beautification contest of the chamber of commerce are known.

Another proposal, presented by Fred Drake, was that Alameda de las Pulgas be made a continuation of Junipero Serra boulevard since the Alameda is a natural continuation of the boulevard. No action was taken on this suggestion, either, pending consideration of legal difficulties involved, according to John Gill, secretary.

LEGAL

NOTICE OF TIME AND PLACE OF HEARING OF PETITION FOR LEAVE TO EXECUTE NOTES AND DEEDS OF TRUST.

No. 5973—Dept. No. 1

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF SAN MATEO.

In the Matter of the Estate of ROBERT D. SAVAGE, alias, deceased.

NOTICE IS HEREBY GIVEN that MARGARET C. SAVAGE, Administratrix with the Will Annexed, of the Estate of Robert D. Savage, alias, deceased, having filed in this Court her Petition for Leave to Execute Notes and Deeds of Trust on certain real property hereinafter described, in which the estate of said deceased is interested, the hearing of the same has been fixed by the Clerk of said Court for Monday, the 30th day of December, A. D. 1935, at 10 o'clock a.m. of said day at the Courtroom of Department No. 1 Probate thereof, at the Court House of the County of San Mateo, located on Broadway between Hamilton and Webster Streets, in the City of Redwood City, County of San Mateo, State of California, and all persons interested in said estate are notified then and there to appear and show cause, if any they have, why the said petition should not be granted.

Reference is made to said petition for further particulars.

The following is a brief description of the particular property to which said Petition applies and which is referred to hereinabove:

PARCEL ONE:

An undivided one-third interest in and to all that certain lot, piece and parcel of land, situate, lying and being in the City of Daly City, County of San Mateo, State of California, and more particularly described as follows:

Lot 11 in Block 4 as designated on the map entitled "MAP OF THE CROCKER ESTATE TRACT SUBDIVISION No. 1," which map was filed in the office of the Recorder of the County of San Mateo, State of California on June 1, 1908, in Liber 6 of Maps at page 16.

PARCEL TWO:

An undivided one-third interest in and to all that certain lot, piece and parcel of land, situate, lying and being in the City of Daly City, County of San Mateo, State of California, described as follows:

Lot 5 in Block 2 as designated on the map entitled "MAP No. 1 VISTA GRANDE SAN MATEO CO., CALIF.," which map was filed in the office of the Recorder of the County of San Mateo, State of California, on November 5, 1906, in Liber "C" of Maps at page 35, and a copy entered in Liber 4 of Maps at page 41.

Redwood City, California, December 9th, 1935.

E. B. HINMAN, Clerk.
By MURA B. STILLESON,
Deputy Clerk.

HEART ATTACK KILLS MAN

(Special to The Tribune)

SOUTH SAN FRANCISCO, Dec. 9.—Ramon Herti, 38, of South San Francisco died here this morning, apparently victim of a heart attack. He is survived by his wife, Rosie, and five minor children. Funeral arrangements are pending at the Silvio Nieri funeral parlor here.

December 17 Date Of Firemen's Party

The Redwood City Fire Department's annual Christmas party for children of the volunteers will be held December 17, with Edwin Holmquist as general chairman of the committee in charge, it was announced Tuesday following a meeting last night at which plans for the affair were discussed.

Louis Lodi has been named chairman of the department's annual New Year's Eve dinner and dance.

Great Britain's exports to empire countries are running from 7 to 16 per cent above last year's figures.

GAVIN ATTORNEYS SETTLEMENT TOLD

Flood Trial Fee List Shows Claimant Got Total of $985,453

For the first time since the sensational and historical Flood estate trial in Redwood City three years ago, just how principals and attorneys shared in the settlement of Mrs. Constance May Gavin's suit was revealed from the witness stand in San Francisco Superior Court Tuesday.

George K. Ford, who is suing Mrs. Gavin and Investigator Eugene Aureguy for $125,000 counsel fees, made the disclosures before a jury in Superior Judge Daniel C. Deasy's court.

Ford, reading from a memorandum he said Aureguy had given him following the settlement, disclosed Mrs. Gavin had received $985,453, of which she kept $459,256, including $384,540 in Flood estate stock, $20,000 in cash and the remainder in securities and real estate.

Of her $985,453, she gave Attorney John J. Taafe $226,420, of which $107,500 was in cash, $91,784 in Flood estate stock and $27,136 in real estate, according to Ford.

Associate Counsel Maxwell McNutt, now a San Mateo county superior court judge, was paid $91,784 in Flood estate stock by Mrs. Gavin, Ford said.

Aureguy, who largely financed Mrs. Gavin in her long fight for fortune, received $198,270 in Flood estate stock. Some $10,000 was paid to witnesses and in settlement of other obligations, Ford testified.

The exact value of the Flood stock was said to be not exactly known, but it has been paying $2.50 a share in dividends, attorneys stated. The estate includes downtown buildings in San Francisco and real estate holdings in San Mateo and Marin counties.

The $384,540 in Flood estate stock received by Mrs. Gavin represented at the time of the settlement the value of 2,700 shares, it was stated.

BEACH LANDS BUY DELAYED FOR PRESENT

S. F., State Finances Asked to Acquire Park Property

Purchase of 26.22 acres of Pacific ocean beach frontage for park and recreational uses at the San Francisco county line at a cost of $14,000 had been deferred Monday by the board of supervisors pending efforts to secure financial assistance from San Francisco and the State of California.

The park area would lie just south of the San Francisco county line and would be utilized chiefly by San Francisco people, Supervisor Albert Witt Jr., Colma, pointed out.

The board, meeting in afternoon session yesterday, also protested the terms of the sale by which the Spring Valley Company Ltd., owner, attempts to retain control of a water supply for five years.

INSTALLMENT BUYING

Purchase of the property by blocks over a 10-year period is proposed by the recreation commission, Giles B. Johnson, Montara, right-of-way agent, reported. Approximately $1,400 would be paid yearly on the purchase, plus interest of 4 per cent as rental on the unpaid parcels.

Because another 26 acres at approximately the same price will be necessary to complete the recreational area, Supervisor Witt moved that the matter be referred to San Francisco and the state to secure the co-operation of those two agencies. Supervisor Fred Beer, San Mateo, seconded the motion, which carried.

Witt scored the recreation commission for submitting the proposal before determining the attitude of the board on whether or not it was desired to purchase the property.

Penney Store Burglar Gets Coat, Blankets

Raising the total of week-end store burglaries to two, Charles A. Nelson, manager of the J. C. Penney Company store on Broadway, reported late Monday to police a burglar had stolen an overcoat and several brightly-colored light wool blankets from the firm's stock.

Theft of the merchandise was not discovered until the overcoat was missed. Investigation disclosed the prowler had effected entrance through a trap door in the roof, prying it off and letting himself onto the mezzanine floor. He left by the same route, replacing the door.

The thief did not disturb stock in the store, Nelson reported.

Police also were investigating the Saturday night burglary of the Martinez Cash Grocery near Five Points. From that store $12 in cash, checks and papers were taken.

Inquest Set Friday Into Big Game Crash

(Special to The Tribune)

BURLINGAME,, Dec. 9. — Inquests into the deaths of five persons, three of them killed in an automobile accident in the heavy "Big-Game" traffic November 23, are scheduled to be held at the Crosby Mortuary Friday at 2:30 p. m., it was announced at the county coroner's office today.

Investigations into the deaths of Mr. and Mrs. Harry Battelle of San Francisco and George R. Wheeler of Bakersfield, victims of the Bayshore post-football game crash for which Mrs. Jessie Brown of Mill Valley has been charged with negligent homicide, will be held, as will quizzes into the fatalities of Charles Sayre, 16, apparently swept to death by drowning November 23 on the coastside, and Jane McKenzie of San Mateo, killed in a Burlingame automobile accident November 30.

200 Men Working On Mills Field Job

(Special to The Tribune)

MILLS FIELD, Dec. 11.—Two hundred men and scores of pieces of equipment were turned loose on the $1,675,000 Mills Field improvement job today. Work on the field, under WPA contract, includes construction of complete shoreside landing facilities for seaplanes, so that Pan American Airways can use the port for their clipper ships, which they have agreed to do if the job is completed within a year.

The 200 workers have been drawn from the five counties composing this WPA district, San Mateo, Santa Clara, Santa Cruz, San Benito and Monterey.

LEGAL NOTICE

Edwin B. Harvey Jr., Atty.

NOTICE OF HEARING OF PETITION TO LEASE REAL PROPERTY

No. 6932—Dept. No. 2

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF SAN MATEO.

In the Matter of the Estate of WILLIAM J. DUSEL, also known as WILLIAM JOHN DUSEL, Deceased.

NETTIE M. DUSEL, Executrix of the Last Will and Testament of William J. Dusel, also known as William John Dusel, deceased, having filed herein her verified Petition praying for an order to lease certain property of said estate, in said Petition and hereinafter described, and alleging that it will be for the advantage of said estate to lease said real property;

NOTICE IS HEREBY GIVEN to all persons interested in the Estate of William J. Dusel, also known as William John Dusel, deceased, to appear before the Superior Court on the 16th day of December, 1935, at the hour of 10:00 o'clock a.m., of that day, at the Court Room, Probate Department No. 2 of said Court, at the Court House in Redwood City, in the County of San Mateo, State of California, then and there to show cause, if any they have, why the real estate hereinafter described, should not be leased by the Executrix of said Estate for the period of three (3) years, at a rental of Forty and 00/100 ($40.00) Dollars per month for the first year of said term, Fifty and 00/100 ($50.00) Dollars per month for the second year of said term, and Sixty and 00/100 ($60.00) Dollars per month for the third year of said term, and for the option of an additional term of two (2) years at the monthly rental of Seventy-five and 00/100 ($75.00) Dollars upon the terms and conditions mentioned in the Lease accompanying, and made a part of the Petition of said Executrix on file herein, to which Petition reference is made for further particulars.

Said real estate is known as that certain store room commonly known as No. 849 Main Street, Redwood City, California, and is a portion of all that certain real property situate, lying and being in the City of Redwood City, County of San Mateo, State of California, more particularly described as follows, to-wit:

Lot Numbered Twenty-eight (28) and the Northerly Fourteen (14) feet, front and rear measurements of Lot Number Twenty-nine (29), Main Street Lots as shown on the map entitled "Town of Mezesville," filed in the office of the County Recorder of San Mateo County August 1, 1856 in Book 1 of Maps at page 79.

Dated December 4, 1935.

In Egypt, filling stations dispense water from pumps resembling American gasoline pumps and cater to customers who bring their own containers.

Rapid City Man Seeking City's Managerial Post

E. M. Sneckenberger, city manager at Rapid City, S. D., for the past four years, Tuesday applied to the city council for the position of city manager of Redwood City. He asks $4200 per year.

Sneckenberger, wno is 55, married, and a graduate of both Heidelberg College in Tiffin, O., and of Cornell University in civil engineering in 1905, gives as his history:

Engineer on $4,000,000 walter filtration plant at Pittsburgh, Pa., 1905-07; with city engineer at Billings, Mont., on municipal work and irrigation, 1907-09; member of Gerharz Engineering Company in Billings on water works, sewers, irrigation and drainage from 1909-1915; city engineer of Billings, with population of 16,000, from 1915-1931, where he supervised $2,000,000 worth of improvements including water filtration plant, water works extensions, sanitary and storm sewers, paving, park, airport and cemetery developments.

In Rapid City, the municipality operates the water works, tourist park, cemetery and disposal plant, Sneckenberger said.

Rapid City has a population of 11,346, Sneckenberger wrote.

Sneckenberger is the 14th applicant.

Churches built on English crown land have not been permitted to ring bells since the Reformation.

STORE THIEF SECURES $12 IN RAID HERE

Burglar Again Cuts Screen of Window To Effect Entry

A burglar who effected entrance to the Martinez Cash Grocery at 2340 El Camino Real by the same method as that used by the prowler who has been ransacking houses on the peninsula Saturday night stole $12 in cash, $30 in checks, and valuable papers from the store.

J. R. Martinez, proprietor, reported to police that between Saturday when he closed the store and 1:30 a. m. Sunday, while he was attending the dance at Forester's Hall, someone slashed the screen of a window in living quarters of the store, and entered through an unlocked window.

Apparently merchandise in the store was undisturbed, the thief going directly to the cash register. There he took a money bag containing the coin, checks, and customers' account slips.

A widespread search from Burlingame to Palo Alto has been underway for the past two weeks for the prowler, who has entered more than a dozen homes.

In Burlingame last week one intruder was surprised in the act of ransacking the home of Henry Braumicke, but clamered out a window and made his getaway before Braumicke could collar him.

Latest house burglary reported was that of Clinton Cipperly's place at 760 Partridge avenue, Menlo Park, which was entered Thursday night by a thief who cut the screen of the rear porch door. There three suits, an overcoat, jewelry and a camera were stolen.

Redwood City has had three house burglaries by the man, San Carlos one, and Palo Alto and Burlingame several.

Police Chief C. L. Collins today repeated his warning to local householders to lock doors and windows when leaving a house, and also to notify police of any loiterers.

McDonald Divorce Action Continued

The California supreme court today had set for January 7 its hearing of further arguments in James McDonald III's attempt to have annulled his Reno marriage to the present Alevia McDonald, according to the Associated Press. Additional briefs were requested.

Mrs. McDonald won in superior court at Redwood City and later in the state district court of appeal. McDonald, grandson of a Standard Oil founder, is seeking the annulment on the ground both he and his bride were under age—18 and 16—when married. They have a child.

Crossing Fate Put Over in S.F. To February 6

With the question of liabilities of cities raised should the crossings be closed, the California Railroad Commission Tuesday in San Francisco deferred until February 6 the fate of five projected closings, the Associated Press and United Press reported.

Wayne Millington, Redwood City attorney, who was representing property owners here, said that no compensation has been proposed should the crossings be closed, and that cities would face damage actions as a result.

Leon Whitsell, president of the commission, announced he would take under advisement until February 6 the closing of five railroad crossings in Redwood City, San Mateo and San Carlos, after counsel representing the cities could not reach an agreement to stipulate certain phases of the case.

Albert Mansfield, city attorney for Redwood City and San Carlos, objected to maps and descriptions prepared by the Southern Pacific Railway Company on grounds they were not in conformity to the rules of the commission itself.

Previously, Ernest Wilson, city attorney of San Mateo, and Millington, joined Mansfield in interposing numerous objections to the commission's order to the three citiese to show cause why the five grade crossings should not be closed.

Wilson made the point that it was not within jurisdiction of the commission to issue such an order because property owners affected would be without compensation for any losses and the city itself would be laid open to suits to recover damages.

He also declared that instead of the commission helping to lessen danger by its proposed act, it would actually increase it.

MESSICK BABY DIES

Doris Mae Messick, 14-month-old daughter of Mr. and Mrs. Martin Messick, passed away Sunday morning at the home of her parents, 227 Grand street.

Besides her parents, the baby is survived by two brothers, John M. and Martin J. Messick.

MONTGOMERY WARD

ATTORNEY RULES AGAINST PAYMENT

Freedom of Escaped Pair Short-Lived; Hearings Seen

While San Mateo county today was faced with another trial of escapes from the San Francisco jail at San Bruno, word came from San Francisco that that city was held not legally bound to pay costs billed Controller Leonard S. Leavy by County Clerk E. B. Hinman.

Attorney Frank Fenton, counsel for Leavy, ruled that a bill for $239.75 for trying Edward Gleason in the local superior court was not binding on San Francisco.

Upon suggestion of Superior Judge Maxwell McNutt, who flayed the proceedure whereby this county stands cost of trying prisoners who flee the "escape proof" prison, Hinman billed San Francisco for reporter's fees, $198.90, and sheriff's fees, for meals and transportation, $40.85.

The bill was referred to the controller by the San Francisco Board of Supervisors.

TWO TRIALS ALREADY

Prisoner Gleason, serving three years for burglary, escaped from the jail last March 31. He was captured and tried by San Mateo county for the offense, which is a felony. Found guilty by a jury, Gleason was granted probation by Judge McNutt, who explained he didn't believe in sending a man to prison for 10 years when he obviously walked out an unlocked door in the jail.

Gleason was the second person tried here, a woman having been acquitted on the charge by a jury previously. Identical charges against her companion were subsequently dropped. Bills for these cases also were rendered San Francisco, but were not paid.

Now the county faces two more trials as a result of the recapture yesterday of the women who escaped Saturday night from the jail.

The pair, Betty O'Brien and Lola Driscoll, both serving six-month terms, made their getaway through an unbarred window after dark.

BOTH WOMEN FOUND

The O'Brien woman was arrested by Police Corporal Hanlon as she left a taxicab at Guerrero and Market streets. The officer later found the Driscoll woman hiding in a basement at 2053½ Sutter street.

OTHER COSTS INVOLVED

Not only are fee costs involved in the trials, but much extra work is made for the district attorney's staff, which must prosecute the trials, and for all court attaches, including jurors and their fees.

While it is not expected a court test will result from San Francisco's refusal to pay the escape bill, a move likely will be launched at the next session of the legislature to provide for payment by San Francisco of jail breaking trials in this county.

A state law now provides for the state to reimburse counties for trials held in connection with state prison escapes, but no such provision is made for counties to pay other counties.

ROOSEVELT FACES HARD FIGHT

Seer Says Hoover Could Not Hope to Win

MUSSOLINI SAID ON WAY OUT

PARIS, Dec. 10 (UP)—Premier Benito Mussolini has passed the zenith of his power and probably will go into eclipse next year, Madame Fraya, French seer, predicted today in a forecast of 1936 events.

President Roosevelt, predicted the woman who successfully foretold the World War and the defeat of Herbert Hoover, will have no easy time being re-elected. If he is defeated, she believes an entirely new political figure will rise to the presidency. Former President Hoover, in her opinion, has no chance.

"I see no certainty of war in Europe," she said, "though the fear of war will hang over the world throughout 1936. In the orient there will be a considerable number of disturbances, including rioting in India and possibly serious incidents along the Russian-Manchukuoan border.

"The year 1936 will be under the influence of Saturn and Neptune with the conjunction of Mars. There will be numerous assassinations and sudden deaths, bank crashes, stock exchange scandals, further increase of misery on the continent during the winter, rapid, impetuous love matches ending as quickly as they began and a marked increase in nervous breakdowns resulting from financial nad political worries.

"The year will be more important for medical and scientific discoveries than for artistic and literary achievements.

"Cancer will no longer be a dread scourge, for French scientists are already close to finding a cure for it and Germans are not far behind.

"The Laval government may not last much longer in France, but Pierre Laval himself is not likely to mind for he will be ready for a rest after his incessant and arduous work in both domestic and international arenas. Democracy will remain in France.

"French relations with England will be strained at times, but the Entente Cordiale will persist and France will have nothing to fear from an enemy attack."

Drill Team Benefit Planned By Eagles

A whist card party and dance will be given under the sponsorship of the Redwood City Eagles Friday evening at 8:30 o'clock at the Odd Fellows Hall on Main street for the benefit of the lodge drill team. Score cards will be 35 cents, including both cards and the dance. Chairman of the affair is Floyd Kelley, assisted by drill team members.

Approximately $60 was raised at the last card party, it was announced by Paul Lowe, publicity chairman. Card parties are planned by the lodge for the second Fridays of each winter month.

FIREMEN SET INSTALLATION

(Special to The Tribune)

BELMONT, Dec. 9—At the January meeting of the Belmont Fire Department, Clarence R. Johnson will be installed as the department's new president. Others assisting him in carrying on the work for 1935-36 will be Bertrand F. Johnson, vice president; Captain A. T. Hasbrouck, secretary-treasurer; George Roussel, sergeant-at-arms; Maurice Litou, Edward LaGarde and Chief Fred Johnson Jr., board of directors.

Farm Commissioner Examinations Set

County Agricultural Commissioner Max J. Leonard has received notice from A. A. Brock, director of agriculture, Sacramento, that examinations for county agricultural inspectors and commissioners and deputies are to be held December 30 and 31 at San Francisco and Oakland, exact locations to be announced later.

These examinations are given by the state department of agriculture to qualify applicants taking examination for the positions noted. Persons desiring to take any of these examinations must obtain application blanks by writing to the director of agriculture, Sacramento. Applications must be filed with the director at the state building, Sacramento, not later than December 20.

Further details in regard to eligibility requirements may be had by contacting the county agricultural commissioner's office in Redwood City at 703 Middlefield road (court house annex No. 1).

FIREMEN STUDY MERGER

John F. Migge, president, of the Associated Firemen of San Mateo County, announced today that at a regular meeting of the advisory board it was urged that all volunteer firemen attend the next meeting to be held at Lomita Park, Tuesday, December 17, in order to discuss the consolidation movement.

PLEA FOR TRAFFIC ASSISTANCE MADE

Dematteis Hits Note Of Safety Campaign In S. M. County

In what might well have been a key-note speech of the present campaign against highway accidents, Louis Dematteis, deputy district attorney, forcefully pleaded on Monday before the local Toastmasters' Club for citizens' co-operation in traffic law enforcement.

Declaring in his talk, "Life or Death," that the dangers confronting citizens on the highways today were "worse than the perils faced by the American soldiers in the front line trenches during the war," Dematteis asked Toastmasters to discourage "tag-fixing tactics," since such methods used in cases of minor violations breed disrespect of more serious traffic violations; begged co-operation in giving testimony where violations have been witnessed; and sought the help of every citizen in the law enforcement drive now underway.

"Our highways are becoming death traps instead of means for pleasure," Dematteis stated, pointing out that between November 8 and 23, eight traffic fatalities occurred in San Mateo county.

The chiefs of police, the highway patrolmen, the county judicial officers who are working with the grand jury in an effort to stem the tragic tide of death, are but a handful of citizens, he said. Success of the drive depends on every citizen.

Other speakers on the program presided over by Milum Tackitt in the social hall of the Methodist church, were L. E. Wolbert, who in a talk, "Personality and Individuality of Cities," proposed beautification of Redwood City's entrances and asked participation of the Toastmasters in the chamber of commerce campaign to secure beautification suggestions; Duncan Reynard, "Establish Your Credit;" and Earl Whitaker, "It Can Be Done."

Speakers next Monday will be Homer Spellenberg, Mark Nesbit, Robert O'Connell Jr. and Andrew Spinas; the chairman, Fred Glover.

Tree Strippers Pay Fines of $15 Each

Picking berries and stripping branches from evergreen trees in the hills of San Mateo county cost three men $15 each Tuesday when they appeared before Justice of the Peace Edward I. McAuliffe.

Albert Marchi, Charles Dillelio and Jiacoma Ottome, arrested by Fire Warden Bert Werder for taking the evergreens without a permit, pleaded guilty to the charge.

Mate Asks Letters In McNabb Estate

Disclosing the daughter of the millionnaire Menlo Park inventor, Leon Douglass, died without leaving a will, William M. McNabb today sought in superior court letters of administration of the estate of Ena Douglass McNabb, who died November 26 in childbirth.

Value of the estate was listed as "in excess of $100,000," but it is known trust funds created for Mrs. McNabb and other children of the Douglasses aggregate more than a million dollars. The petition was filed through the law firm of Williamson & Wallace.

McNabb also petitioned for guardianship of his infant son, who has been named William M. Jr.

Pittsburg Plans Industrial Port On San Joaquin

(Special to The Tribune)

PITTSBURG, Dec. 10 — Plans were furthered here last night for the construction of a Port of Pittsburg.

In Pittsburg there are branch plants of 10 big industries, among them Columbia Steel, Johns Manville Corp. and Fiber-Board.

Products of these plants must be transported by rail 12 miles to Stockton or 28 miles to Richmond for trans-shipment by water carrier.

"We should have a port," the industrial heads say, so last night a representative group met with the Pittsburg Chamber of Commerce to discuss the project.

Extensive dredging of the channel in the San Joaquin would be necessitated, it is pointed out, along with reconditioning of the Redwood Manufacturing Co.'s wharf and the building of a shed thereon.

The project would cost about $244,000

Consumption of wine has increased more than 20 per cent in the last five years in France.

Scotland's epidemic of enteric fever is believed to have been started by pilgrims returning from Lourdes.

HARBOR PLAN AID PROMISED BY HARRISON

S. F. Democrat Assists Redwood City Plea For Federal Fund

Maurice E. Harrison, prominent San Francisco Democratic leader, who yesterday noon introduced United States Senator William Gibbs McAdoo at a banquet in the Palace Hotel, today assured local port supporters that he would give the Redwood City harbor project his full assistance.

The assurance came in a telephone conversation with Harrison's brother, Edward T. Harrison, vice president and cashier of the First National Bank and San Mateo County Bank.

Harrison was contacted in San Francisco yesterday by a group of Redwood City Democratic leaders in behalf of the harbor project. They included City Councilman Evans Fletcher, chairman of the "On With Roosevelt" campaign.

Several Redwood City Democrats attended the McAdoo luncheon, over which Judge Martin Walsh of Sacramento, president of the "On With Roosevelt" Clubs, presided.

Chimney Fire Calls Local Department

Answering their first call in more than two weeks, local firemen shortly after 11 a. m. Tuesday extinguished a fire resulting from an overheated chimney in a house, at 926 Hopkins avenue. No apparent damage was done by the fire to the house, owned by William J. Wolf.

COASTSIDE CONSTABLE HURT

(Special to The Tribune)

HALF MOON BAY, Dec. 11.—Constable Fred A. Simmons, who lost his left thumb in a hunting accident Sunday near Coalinga, was recovering at his home here today. The thumb was lost when one barrel of the shotgun he was holding exploded.

Max Leonard Returns From Farm Meeting

County Agricultural Commissioner Max J. Leonard has returned from Sacramento where he was in attendance, serving on the resolutions committee, for four days last week at the convention of the Farmers and Fruit Growers Association. Also in session there was the State Agricultural Commissioners Association, of which Leonard is vice president.

Constable Is Balked In Boy Custody Fight

A threatened legal tug-of-war in court of Superior Judge Maxwell McNutt over custody of the son of a Michigan man and a Redwood City woman apparently was balked today when Constable Ferguson Owen was unable to serve the boy's mother with a writ of habeas corpus.

Constable Owen reported that when he went to the house occupied by Mrs. Frances Pickard Haensel at 137 Rogers street, he found Mrs. Haensel and her husband and boy had moved three hours earlier.

Mrs. Haensel was to appear December 20 to show cause why she should not turn over the youth to his father, Earl W. Pickard, under a Michigan court order. The Pickards were divorced in 1924.

The Encyclopedia Britannica was first published in parts, in Edinburgh, Scotland, in 1768-1771-.

Most snails are right-handed. A few, however, twist their shells to the left.

McGrath to Dedicate New S. M. Postoffice

(Special to The Tribune)

SAN MATEO, Dec. 11.—Congressman John J. McGrath will be the guest speaker Saturday at the dedication of the new San Mateo postoffice, it was decided at a meeting here of Postmaster John Kelley and American Legion and city officials.

LIBRARY AIDE SELECTED

Miss Patricia McConologue of Eurlingame has been named filer and typist in the county library, beginning her new duties Tuesday, Miss Clara B. Dills, librarian, announced today. Miss McConologue succeeds Miss Anita T. LaFrance of Daly City, who has replaced Mrs. Odessa Quigley as clerk in the office of County Engineer U. S. Marshall.

S. S. F. RESIDENT DIES

(Special to The Tribune)

SOUTH SAN FRANCISCO, Dec. 9.—James H. Bridgewater, husband of Susan E. Bridgewater and father of Susan Butts, died here yesterday. He is survived also by three brothers, William, Harry and Edgar, and his step-mother, Mrs. Emily Bridgewater. Funeral services will be held from the S. Nieri parlors here at 2:30 p. m. tomorrow.

REMEMBER YOU MUST BE PRESENT TO WIN

Slave to a Gosh-dinged heating plant...NOT ME!

THOUSANDS of users of gas heating who have "tried them all" voice but one regret—they didn't begin to enjoy the utterly carefree comfort of gas heating soon enough. Why? Because gas heating so completely and thoroughly lives up in performance to all its fine points.

I'll Tell the World . . . Gas Heat Can't Be Beat!

Gas heating's fine points are these: You save money on the equipment you buy because the first cost is less. Automatic thermostat equipment is lowest in cost. And each piece of gas heating equipment is complete in itself. The gas fuel is delivered in a pipe, you order it as you use it and pay for it after you use it. Gas fuel, too, ignites instantly—without the bother of matches or tapers.

It's Plenty Reasonable, Too!

Over 200,000 Northern California families using gas heat know its reasonable cost. Month after month throughout the year when all the costs of house heating are figured in—gas heating is too inexpensive to do without.

GAS CIRCULATING HEATER

Have you seen the beautiful new models of these compact and complete heating units? Extremely reasonable to operate.

GAS FLOOR FURNACE

An ideal solution for furnace heat for home without a basement. Healthful, quick-acting with low operating cost.

GAS STEAM RADIATOR

Here the luxury of steam heat for modest home with modest incomes. Takes up but little space by a wall. Low in first cost and operating cost.
